Free Pass to the Center for Maine Contemporary Art

The Center for Maine Contemporary Art has partnered with us in order to offer Vose patrons a chance to visit their establishment in Rockland, Maine. We have a single pass for two adults (children under 18 are always free). This is a physical pass - no electronic passes available. The CMCA has a Maker Space and is open Wednesday through Saturday from 10-5pm and Sundays from 12-5pm. Plan your visit now and give us a call 207-785-4733, email us (librarian@voselibrary.org) or stop by to check on availability.

FREE PASSES

Are you interested in visiting the Coastal Maine Botanical Gardens in Boothbay Harbor? Well, we've got passes for you. With its mission to inspire meaningful connections among people, plants, and nature through horticulture, education, and research, these passes will bring joy, curiosity and your senses to a whole new level. Just give us a call (207-785-4733) or email: librarian@voselibrary.org and let us know the day you would like to visit along with the half-hour time slot (times begin at 9:00 AM and the last one is at 3:30 PM) you'd like. Though you need to choose an admission time, these passes allow you to remain at the Botanical Gardens up 'til closing. Two adult passes are available + any number of your children/grandchildren under the age of 18 for each calendar day during the summer of 2022. We can email you the tickets or print them here at Vose and have them ready for you. We hope you'll take advantage of this amazing experience!
