SUMMER READING WEEK 6 CRAFT KIT

This is our final Summer Reading Craft Kit! Can you believe it has been 6 weeks already? For this craft kit we are giving you NO INSTRUCTIONS! We want to see your creative art work.

So this week please drop by the library and pick up a blank canvas along with your choice of a pack of markers or crayons. Then make some art work for us to display in the library. After you finish your creation (feel free to add anything to your artwork... seashells, glitter, texture items, etc) write your name and first letter of your last name on the back). Then bring it to the library so we can display them in the children's room for the rest of August to show everyone the wonderful items you created!

TECH TUESDAY

Phone, tablet, or laptop questions? Come to Tech Tuesday!

Tuesday, August 2nd is our next Tech Tuesday from 6-8pm. We're here to help with your technology. Bring along your questions, devices, and concerns.

Give us a call (207-785-4733) or email (librarian@voselibrary.org) in advance so we'll be sure to have the right resources on hand.

VOSE SUMMER READING

So, all those hours that you've been reading will be what you need to bring to the library between August 6 and August 10th. Each hour read will earn you one ticket. The more tickets you have the greater the chance of winning a prize.

When you turn in your total hours read, you will be given one ticket for each hour that you read, write your name on the ticket and tell us which prize you want the ticket(s) to go towards. We will pick the winners and notify those that won a prize within a few days of the drawing. This is not a public event for drawing the winning tickets as we want everyone that participated to feel good about their hours read.

SKILL, CRAFT, ART, OR COLLECTION **TO DISPLAY AT VOSE LIBRARY**

Do you have a skill, craft, art, or collection which you would like to display here at Vose Library? The space available is primarily the top surface of the two low bookcases in the adult room. We would like to change exhibits at least once a month, so this is an ongoing request. Please email Amy Cornell at amy.cornell@gmail.com with photos and a description of what you would like to exhibit. Please put "Vose Library Display" in the subject line. Please include the following information- Name, contact information, description of artwork, approximate space needed, if you have any display materials and what makes this appropriate for the Library exhibit. The committee will review all entries and will respond in a timely manner.
