

# **VOSE NEWS WEEKLY**

**August 15, 2022**

## **NEW LIBRARY CIRCULATION SYSTEM**

**Over the next few weeks Vose Library will be preparing for and migrating Polaris Leap for our library system. We will be asking patrons to provide their library card when checking out materials starting August 24th. There will be a list for us to use if you do not have your card. This will cause a temporary disruption to borrowing some materials from other libraries. We will keep you up to date as we move forward with this new system. Thank you for your patience and understanding.**

## VOSE SUMMER READING

**Thank you to all of our patrons that participated in Vose Summer Reading, Oceans of Possibilities. Congratulations on reading and tracking the hours read over the past 6 weeks! We will be notifying those that won prizes during this week.**

The CMCA has a Maker Space and is open Wednesday through Saturday from 10-5pm and Sundays from 12-5pm. ## FREE PASSES

Are you interested in visiting the [Coastal Maine Botanical Gardens in Boothbay Harbor](#)? Well, we've got passes for you. With its mission to inspire meaningful connections among people, plants, and nature through horticulture, education, and research, these passes will bring joy, curiosity and your senses to a whole new level. Just give us a call (207-785-4733) or email: [librarian@voselibrary.org](mailto:librarian@voselibrary.org) and let us know the day you would like to visit along with the half-hour time slot (times begin at 9:00 AM and the last one is at 3:30 PM) you'd like. Though you need to choose an admission time, these passes allow you to remain at the Botanical Gardens up 'til closing. Two adult passes are available + any number of your children/grandchildren under the age of 18 for each calendar day during the summer of 2022. We can email you the tickets or print them here at Vose and have them ready for you. We hope you'll take advantage of this amazing experience!
